

# “Lost” \$950+

Due to the inability to fill the BINGO volunteer spots  
We have had to give up some of our nights.

We had hoped to use the new BINGO funds for:

1. More and possibly free field trips.
2. A sun/rain shade for our Running and sports teams.
3. *The Jig-A-Jump program geared toward JK- Grade 3 students.  
It involves activities related to Daily Physical Activity.  
The program is conducted by Judy and David from the Tree House  
TV Show. The program can be brought to the school for \$4.50 per  
student (we have 120 primary students), which would be a total  
cost of \$550.00. (One and ½ Bingos, 2 ½ hrs.)  
Four teacher program packages would be sent out to our school  
immediately (to be kept by staff) if we decided to have them come  
to the school.*
4. *More books for each classroom library*

*These are only a few things on a  
list of items that we have counted on BINGO paying for...there  
would be little need of more fundraisers if we could have just 2 hrs  
of your time.*

**Please consider volunteering!**
